

3:45am. Telex sked with ZRO.

8.00 A.M.

~~RSA~~ RSA arrived in C.T. @ 0200 this morning, at last  
Telex sked with F572.

8:45

9.00 soaked about base rest of a.m.

10:00 Kipped from 10-12 a.m.

12:00 Lunch.

1:00 Went to Faddy Boats + Nellie Hump to make re-  
recording of elephant seals + albie chicks - latter  
not so cool as too much wind.

2:30 Telex sked with ZRO.

Kipped rest of p.m. till 5.00 p.m. Supper @ 6.00 p.m.

8:00 Telex sked with ZRO.

8:45 saw movie: "YOUR, MINE + OURS" <sup>YOURS, MINE + OURS</sup> Henryonda, Lucille  
Ball, U.H. Preston.

11:00 am. While playing <sup>scrabble</sup> board game, an enormous explosion + fire - alarm of "Bo-ly" then  
went off - rushed out - saw flames from "Bo-ly" then

Jump - place had blown up, while Chris filling balloon  
with hydrogen. Chris slightly bumped in face + hands - upper  
air but a total wreck - looks like bomb hit place - Chris  
very lucky to be alive - all walls gone + roof - big double doors  
lying about 15 feet away - marked. ~~Sunday~~ <sup>Sunday</sup> 8 <sup>Sondag</sup>

at 0145 sent You Emergency message to Mr. Meyer to  
arrange for call in a.m. Kipped from 5-7.30 a.m.

8:00: Telex sked with ZRO.

8:15: the call with Mr. Meyer @ PTA (Spook) - possibly  
workshop be sent down for repairs - no ascents possible  
till then. Anyway - will see what happens during week  
caught up on some sleep from 9.30 - 12 p.m. Lixored to  
Tannie Job Job. 1.00 p.m. = lunch. 2.30 - Telex sked  
with ZRO. Went + made some

more recordings of albie chicks + seals - much better now  
whole place still covered in snow - Leggy now fall test  
night. Also took photos of blown up "Bo-ly" tank. Spent rest of  
p.m. mousing around base. Supper @ 7 p.m.

8:00: Telex sked with ZRO.

9-11: Worked on his map of Marion.

12:30: In bed at last!!!
