YOUR REF.:

7th May, 1959.

Dear Mrs. Artz,

Thank you so much for your letter, I assure you it was a great pleasure for me to bring the few parcels back from Gordon and I was very glad to learn you were so pleased with the gifts.

I do hope you will be coming to England to meet Gordon, if you do I shall certainly look forward to seeing you and it would be nice if Geoff and Daphne could come as well.

All the lads are back now, including the five you met, and by this time next year will, I suppose, be scattered to the four winds but you never know, some might still be around.

Anyway, do let me know if you are coming over as I should certainly like to see Gordon again and perhaps we could arrange something between us.

Yours sincerely

A. J. Hemmer
