Dear *Theo*:

This is a report on my trip to Antarctica. As you may know I retired from the Navy on November 1st and volunteered to be the U. S. Observer on the Norwegian - South African Expedition to the Antarctic this year. We are leaving Cape Town December 2nd on the 450-ton "Polarbjorn" and will be back the middle of January.

Helen is busy with her work in Washington. So from different parts of the world, we wish you a Merry Xmas and a Happy New Year.

*It was certainly a pleasure to me to know you, Theo, and to have you as a member of my recording club.*
