

Leaving for Marion Island to-morrow

When the frigate Transvaal leaves Durban for Marion Island to-morrow, she will take with her 20 S.A.N.F. Reservists to give them "seatime." Here some of these reservists are seen loading stores for the island. They are: W. Snape, E. A. Edward, D. Ridsdale and E. K. Fraser.

Although the Royal Navy is said to be losing some of its affection for bearded lower-deck men (always relegating them to the
