**Technical note**

Given the unique nature of this particular issue, the technical editor draws the readers' attention to the fact that certain documents that have been cited, post-date this issue's date. Unfortunately this was unavoidable since the production of this issue took some number of years in order to ensure the most complete documentation of South Africa's Antarctic activities.

**Tegniese nota**

Weens die unieke aard van hierdie spesifieke uitgawe, vestig die tegniese redakteur die lesers se aandag daarop dat sekere dokumente wat aangehaal word, se datum vooruitgedateer is. Ongelukkig was dit onvermydelik, aangesien die produksie van hierdie uitgawe 'n aantal jare geneem het. Die doel was om 'n volledige dokumentasie oor Suid-Afrika se Antarktiese aktiwiteite weer te gee.
