

16th December 1958.

Dear Mrs. Artz,

I thought you might like to have this photograph of the 'Tottan' leaving Southampton on the 21st November. You can just about see your husband in the middle of the group on board.

We were all delighted to meet him here and he did seem to be quite happy when he left for Halley Bay. He told me that you may be coming to England to join him when he leaves the Base early in 1960. If I can be of any help to you in booking accommodation etc. please let me know.

With best wishes,

Yours sincerely,

*Barbara Hells*
