

Plankton production and trophic dynamics in the waters surrounding the Subantarctic Prince Edward Islands archipelago

Luca Stirnimann (UCT)

Supervisor/Co-Supervisor

Dr Sarah Fawcett (UCT)

Dr Tommy Bornman (SAEON/NMU)

Dr Hans Verheye (DEA)

Southern Ocean

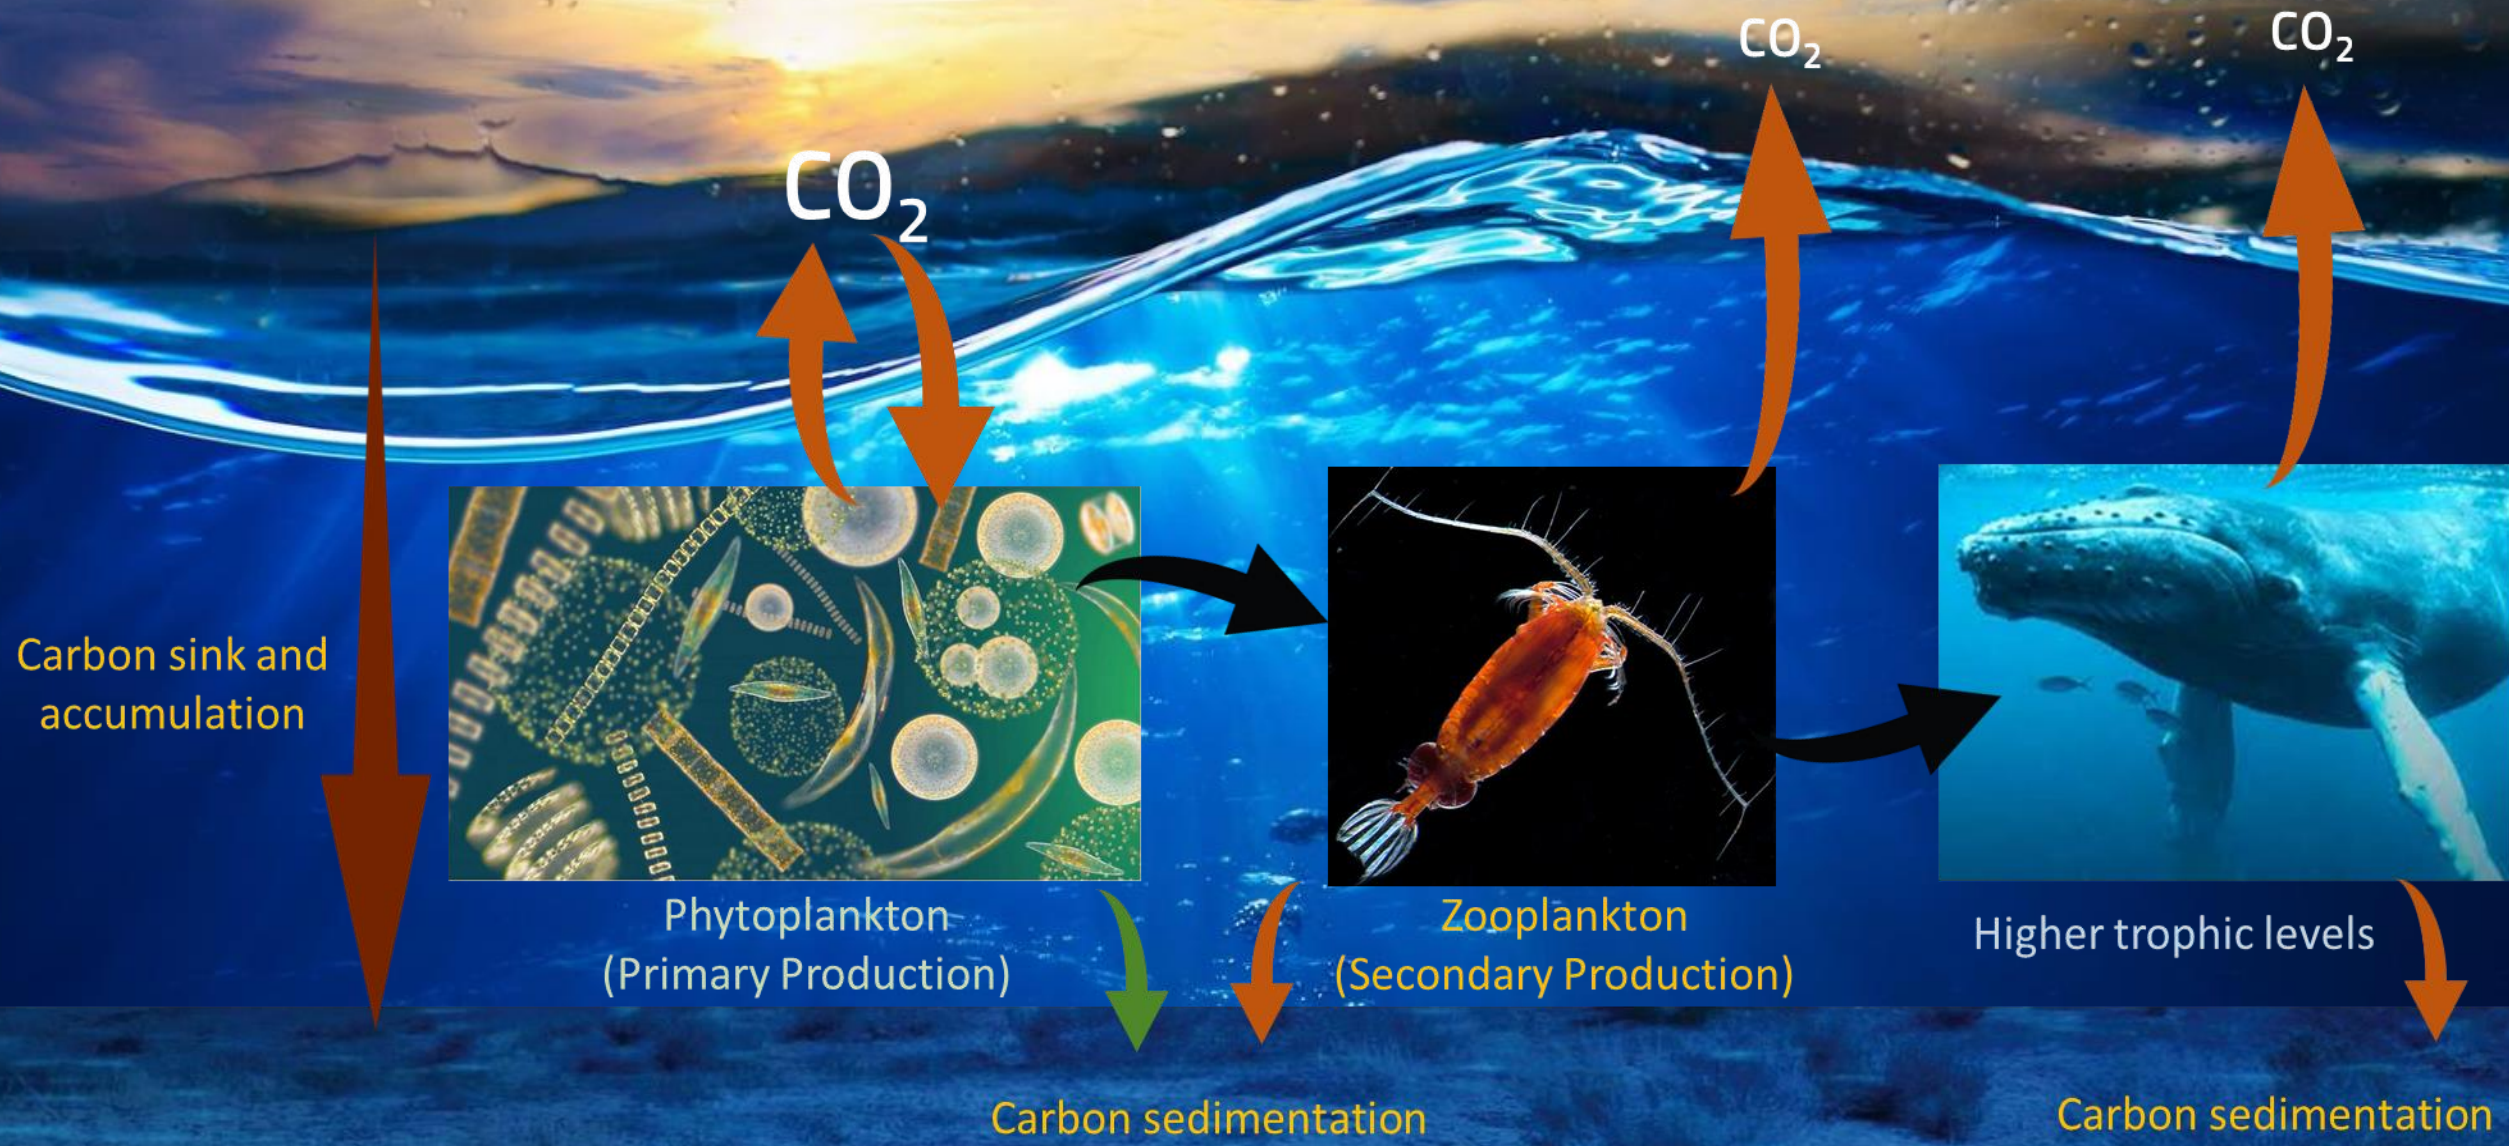

A satellite view of Earth from space, showing the Southern Ocean and the continent of Antarctica. The ocean is a deep blue, and the continent is a bright white. The image is taken from a high angle, showing the curvature of the Earth.

High Nutrients and Low Chlorophyll (HNLC)

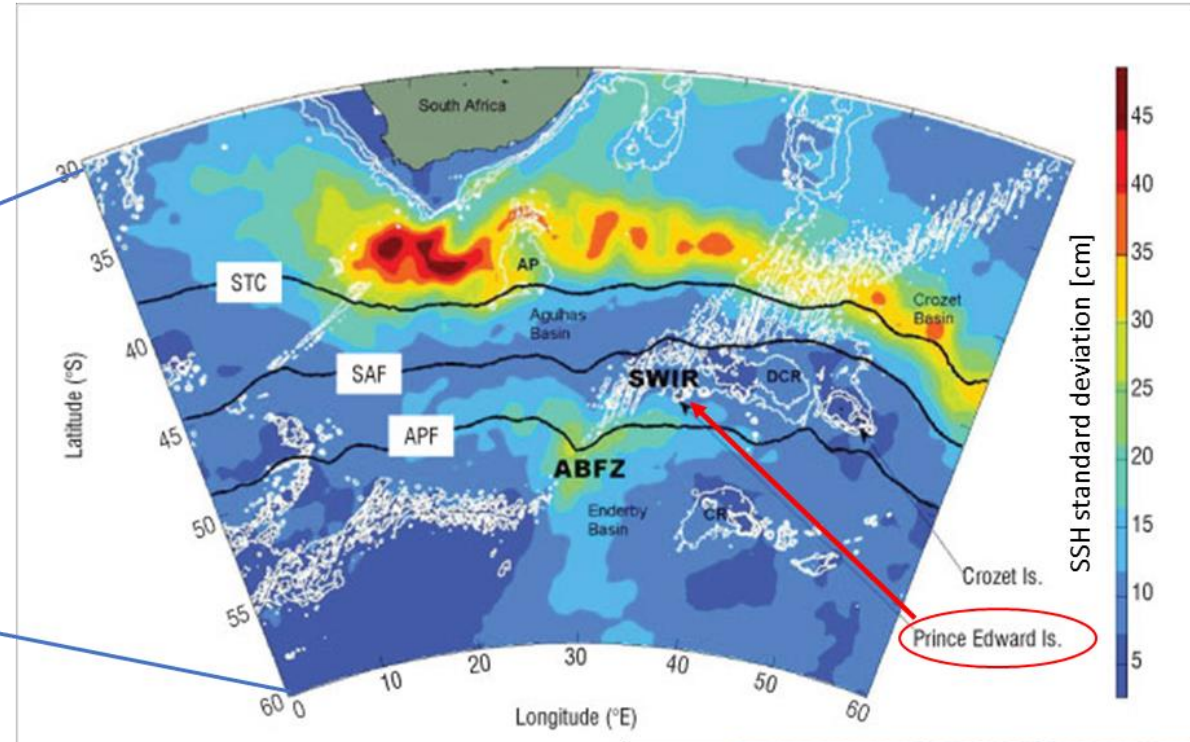

Major hotspot for gas exchanges

>20% of the global ocean CO₂ uptake

Biological pump

Area of study
