

forestry, fisheries & the environment

Department:
Forestry, Fisheries and the Environment
REPUBLIC OF SOUTH AFRICA

Senior Meteorological Technician: Gough Island (OC03/2022) (15 Month Contract)

Salary : R 261 372 (plus 37% lieu in benefits). Permanent SAWS employees will have a different payment structure of benefits.

Centre : Gough Island Base

MINIMUM REQUIREMENTS

- National Weather Certificate or BSc Degree (Honours) in Natural Sciences or Previous Island Experience.
- Preference will be given to applicants who have been to the islands before.
- Candidates must be willing to work shifts (both day and night shifts), and on public holidays in possible adverse weather conditions.
- Candidates must be punctual, dedicated, precise and able to work in a team, as well as on their own.

DUTIES

- Oversee and coordinate surface meteorological and atmospheric research project assigned by the Marine Section of SAWS.
- Exercise responsible shift management of the two assistant meteorological technicians.
- Perform surface meteorological observations, conduct upper-air balloon releases and maintain and verify all equipment at the remote station of Gough Island.
- Conduct quality control of data, report writing and asset control.
- Assist other team members with logistical and administrative tasks associated with the general running of the base.
- Conduct all duties in accordance with the rules, regulations and standards as set out by the South African Weather Service.

NOTE The incumbent will execute duties at a Sub/Antarctic Base and adhere to the health, safety and environmental requirements. The successful applicant will spend a full year (September 2022 to October 2023) at Gough Island base. **There is no option to return to South Africa before October 2023.** The ability to work and live with small groups of people is thus essential. Although the base is well-equipped with e-mail, fax and satellite telephone facilities, the applicant has to be self-sufficient and self-motivated. The location may affect both the physical and mental well-being of the incumbent, their family and close relationships. Candidates must be physically fit, mentally strong and prepared for physically challenging and satisfying work. In addition the successful candidates may often be called upon to work long hours in extreme conditions on duties unrelated to their function. Short-listed candidates will be subjected to screening and security vetting to determine their suitability for employment. Appointment to these positions is subject to a rigorous medical examination, which will be arranged for at no cost to the applicant.

For Attention : Human Resource Management

Closing Date : 7 March 2022

Enquiries : Mardené de Villiers (mardene.devilliers@weathersa.co.za) or Tammy Morris (tamaryn.morris@weathersa.co.za) **NB Do not email CV's to enquires**
